### 2. SCOPE

It is applicable to all visitors to the company's website, employees, interns, directors, statutory persons, service providers and any person acting on behalf of WayCarbon or having a relationship with the company.

### 3. REFERENCES

- a. WayCarbon Website Privacy Administrative Policy.

### 4. DEFINITIONS

#### a. Cookies

Cookies are small text files that are stored on your computer or mobile device when you visit a website. They are used to remember your preferences and settings, which can make navigation easier and your use of the website more efficient.

#### b. Personal Data

Personal data is information that can be used to identify, directly or indirectly, a natural person. It may include information such as name, address, telephone number, email, date of birth, CPF number, ID number, etc.

#### c. Visitor

Visitor is the person who accesses and browses the WayCarbon website.

### 5. GENERAL RULES

#### 5.1 Use of Cookies

Our cookies are used to recognize visitors and to remember important information, which makes the user's browsing experience as pleasant as possible. Cookies are useful because they allow websites to function or work more efficiently, according to the preferences and needs of visitors.

The user's browser stores cookies on the hard drive only during the current session, taking up minimal memory space and not damaging the computer.

Cookies do not contain any specific personal information, except for session cookies, which are automatically deleted when the browser session is closed.

Cookies are associated with the browser and not with the person. For this reason, they do not store information such as credit card or bank details, photographs, biometric data, etc.

The data we store is of a technical, statistical, preference and content personalization nature.

### **5.2 Consent to Use of Cookies**

When accessing the WayCarbon website and blog, in accordance with current legislation on data protection, we explicitly state the use of cookies, giving you the option to expressly consent and access more information through this Cookie Policy.

Please remember that cookies allow you to have a better experience on our websites and, without them, your browsing experience may be limited and some website features may be compromised.

You should be aware that if you continue browsing our website, you will be consenting to the use of cookies. You can change your mind at any time and block the use of cookies by changing your browser settings.

### **5.3 Types of Cookies**

To improve your experience on our website and obtain analytical data, store and retrieve information about your browsing habits or those of your team and develop its activity, WayCarbon adopts the use of its own and third-party cookies on its website.

First-party cookies are those provided by our website and used to remember your preferences, maintain your login, collect information about your browsing behavior and personalize your experience.

Third-party cookies are cookies provided by domains other than our website. They are not inserted into your browser by WayCarbon, but rather by other websites.

### **5.4 Necessary Cookies**

Necessary cookies are cookies that are essential for the functioning of a website. They are used to enable the website to function properly and provide the services requested by visitors.
